

THE WORLD STAGE

Virtual Gala

Online – Saturday, March 6, 2021

The Boise Art Museum invites you to attend its first Virtual Gala! Join us online to celebrate the opening of the groundbreaking new exhibition, *The World Stage: Contemporary Art from the Collections of Jordan D. Schnitzer and His Family Foundation*, and the visual arts in our community. Featuring 90 contemporary artworks by 35 renowned American artists, *The World Stage* showcases some of today's global influencers alongside prominent names from the 20th-century art canon. *Exhibition sponsored by Bev & George Harad.*

You can ensure that people throughout our community have access to transformational art experiences with BAM by becoming a sponsor of *The World Stage* Virtual Gala on **Saturday, March 6, 2021**. All proceeds from the Virtual Gala support the Museum's exhibitions, educational programs, and collections. Invite your friends, colleagues, and clients to celebrate the arts with BAM! To become a sponsor, contact Britney Whiting-Looze, BAM Development Manager, (208) 345-8330 x 126 or britney@boiseartmuseum.org.
