Standards for Boise Art Museum Teen Volunteers

The Boise Art Museum's Education Department provides high-quality educational volunteer opportunities for teens ages 14 and older. Teen Volunteers assist with camps for children during spring break and the summer.

By signing, I agree to the following:

- I will commit to a volunteer schedule created by the Education Department based on current activities and needs of the Boise Art Museum. I will arrive on time and ready to participate.
- If I am unable to attend I will contact the Associate Curator of Education.
- I will act responsibly and follow the guidelines of appropriate museum behavior.
- I will follow the directions of the Curator of Education, Associate Curator of Education and staff.
- I will help the Boise Art Museum provide an environment for my peers, children and for visitors that is both safe and fun.
- I understand that this volunteer agreement in no way implies an employment contract between the volunteer and the Boise Art Museum.
- I understand that if the Associate Curator of Education or Curator of Education feels that I am unable to follow these standards, I will be asked to conclude my volunteering service.
